Dear Melissa

We have known the Christina Noble Children's Foundation for around eight years and have been delighted to support the work the Foundation is undertaking in Mongolia with the Boys Prison Education Project. The huge effort made to provide support and education to these children is inspiring and extremely worthwhile.

The Foundation is very proactive in providing information and updates about the status of the project with which we are involved. This gives a great feeling of involvement.

We look forward to continuing our support of the Christina Noble Children's Foundation into the future.

Yours sincerely
