Office of the Taoiseach

**Message from the Taoiseach, Mr. Bertie Ahern T.D.
to the members of the
Christine Noble Children's Foundation
in Mongolia**

I understand that you have been awarded the "Best NGO" working in Mongolia by the Government of Mongolia in recognition of the work of the Christine Noble Children's Foundation.

I saw the contribution that the Christine Noble Children's Foundation is making during a visit to Vietnam in 2004. I was very impressed by their work and I know that the work of the Foundation in Vietnam is very much appreciated and valued by all involved.

It is encouraging to see that the work of the Christine Noble Children's Foundation in Mongolia is also appreciated by the local authorities.

Please convey my congratulations and best wishes to all concerned.

I wish you continued success with your activities.

Bertie Ahern T.D.
Taoiseach
