

Dear Friend,

Thank you very much for contacting us with regard to Child Sponsorship and I have pleasure in attaching details of our sponsorship programme together with a Standing Order Form for you to fill in and return to us here should you wish to proceed. We will then forward it on to your bank. It will then take up to 3 – 4 weeks before you receive the profile of your sponsored child but the child will benefit from the sponsorship money from the date your standing order takes effect. Standing Orders normally take about two weeks to process by the bank from the date they are received. *Also, if you are a UK taxpayer we would be grateful if you would consider signing the Gift Aid Declaration which enables us to claim 25p for every pound we receive, back from the Government at no extra cost to you.*

It is only through the kind generosity of people such as yourself that we are able to continue in the work undertaken by Christina and the Foundation in helping to alleviate the daily plight of street and impoverished children. Through support we are able to offer the children, among other things, medical care and education, which we consider to be a basic right of every child, but which sadly continues to be a dream for too many children in Mongolia. However we continue to strive to help as many children as we can to leave the streets, break the cycle of poverty, and reintegrate into the community to realize their potential. Your support is invaluable to our work and most importantly to the lives of the children, who, without help, would otherwise be left with little or no hope.

On behalf of Christina and the Foundation, we thank you for your interest and if you have any queries, please don't hesitate to contact us.

Kind regards,

Fiona Geoghegan
